Create A Local Option Bill

In your groups you will be pretending you are members of the current Illinois State Legislature. You will be creating your own Local Option Bill based on a law you think would make your community a better place to live. You will then fill in the table outlining your Local Option Bill specifically regarding the law that you chose. Use the wording and topic of each section in the article to model your responses after. You must justify and be creative in your responses!!

Law: _____
