Prisoner Records Document Analysis

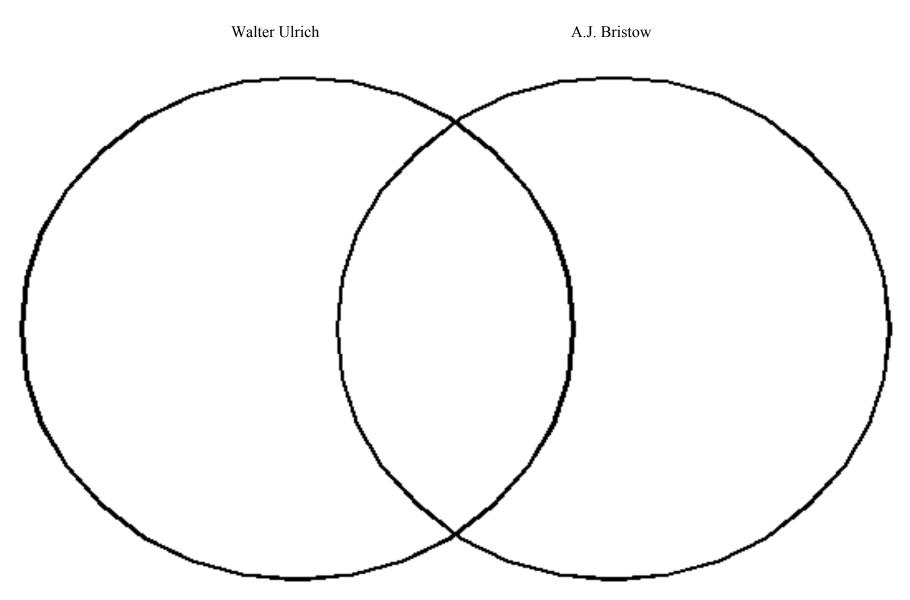

In your groups use the Champaign County Prisoner Records to complete the following assignment.

1. Write down everything that the prisoner records tell you about the people who committed crimes in Champaign County from 1924-1925.

2. Choose one person listed in the prisoner records that violated the county's prohibition laws and in at least <u>5 sentences</u> describe that person from the information given you in the records.

- 3. Identify any contrasting information that characterizes people who...
 - Sold illegal liquor
 - Possessed illegal liquor

Find the following people in the Champaign County Prisoners Records and fill in the Venn Diagram below.

On the back side of the paper explain in at least 5 sentences why these differences and similarities exist between these two men.
