

Union Student Activities Office are being investigated by University of Illinois police.

The paintings, by Rob O'Dell of Ladoga, Ind., had been purchased by a visitor to his exhibit in the Union and were being kept in the IUSA office until the new owner picked them up.

One was believed taken Nov. 5 and the other Nov. 6.

Local school districts take steps to save on fuel

By Gary Benson
Of The Courier

Both the Champaign and Urbana school districts are continuing to take steps to conserve energy, but both districts are taking time to analyze the effects of any conservation action they take.

The Champaign administration will discuss the problem with the Champaign Board of Education at the board's regular monthly meeting at 7:30 tonight.

In Urbana, a directive about energy conservation was to be prepared and sent to all district schools by this afternoon, Supt. of School Eugene Howard said.

The main concern of that directive is temperature control, Howard said. But there are some problems even with that.

"In some of our schools, having one room at 68 degrees means another down the hall is at 62," he said. "We're too concerned about our teachers and students to let them get

that cold."

At the Champaign school board meeting, measures such as temperature control and reduction of student field trips will be considered.

Major changes in Champaign school policy, such as calendar changes or opening schools on Saturday in the spring, would only come after a directive from the Office of the Superintendent of Public Instruction, (OSPI), Berner said.

PUPPETEER WILL PERFORM ON CAMPUS

John D. K. Brunner, puppeteer, will visit the University of Illinois today. Brunner is the owner and head of Popcorn Theater Marionettes and has been producing and performing marionette plays throughout the western United States for the last decade.

Several selections from Chaucer's Canterbury Tales plus other dramatic, Medieval pieces are the basis for his presentation, Canterbury and Oother Tales.

The show will be presented at 8 p.m. in Rooms A, B, and C of the Illini Union. Admission is 50 cents.

However, OSPI had made no announcement last week to clarify the state position on President Nixon's request to conserve energy.

The OSPI office was closed today in observance of Veteran's Day.

Sign control council topic

The kind of sign controls, if any, Champaign ought to have along its strip commercial areas and shopping centers may be worked out Tuesday night in a council study session.

The meeting is scheduled for 7:30 p.m. in the council chambers.

Council member Joan Severns has indicated she will press for strengthening the proposed ordinance for the B-3, intermediate commercial area, which was drawn up by a special committee and approved by the Champaign Plan Commission.

But there has also been the threat of some legal action

Series on sexuality to begin

A series of seminars, open to the public, on human sexuality will begin with a discussion
