

Memory Constructs History

Name _____

Complete the following chart. Under each definition of memory, explain how it is connected to the term "history". Use your answers from **The Purpose of Memory** handout to help complete this chart.

THINK DEEPLY: Use the completed chart to answer the following:

What is history?

Can history change? How?

How do emotions shape the history that is recorded, either through written text, photographs, drawings, or stories that are passed on?

How do our emotions affect the way we see our history?
