

Lincoln's Nicknames – Talk about what you have studied so far and why you think he had those nicknames – did they fit him?

Honest Abe the Rail Splitter the Man in the Stovepipe Hat
the Giraffe the Great Emancipator

Think of a cool and appropriate nickname for the people in our class –
ONLY POSITIVE!

You could assign each student a different student to come up with a nickname for or you could brainstorm together. Only do this if you have a class that will not be hurtful!
