# School Days Are Near--We're

Only a few days more and the little tots, the boys and girls, the young men and the misses, will be at school. Through all the busy days of our moving and having to vacate a large part of our store days and were buying just what these seekers after education would want. Now we are ready for them. The kind and the young men and women who go to the High School or the University will need something new to wear. As well we have prepared for them. We will care for them from shoes to headwear in outer garments, and everything in between. Nothing will be missing and the merchandise will be the best, not the slightest flaw or imperfection in them. Robeson underprice.

## School Outfits for the Boys

# Start Children, to School Right

After the vacation rest, school children should quickly settle down to the task of learning. Do your part!

Parental Responsibility does not end by sending them to school. The child must be equipped with mind and body at their best.

And here the right food plays a most important part.

Growing children need energy; the right kind and lots of it. And energy comes from well-nourished nerves and brain.

## Grape Nuts

—a food made from wheat and barley, contains the vital mineral salts—Phosphate of Potash, etc. (grown in the grains) which directly act with other food values to build up body, brain and nerves.

Statistics prove that much of the "backwardness" of some children is due to faulty nourishment.

A morning dish of Grape-Nuts and cream is good alike for the bright scholar and the backward pupil. The latter needs the nutrition; the former will progress in sounder physical and mental health because of it.

**"There's a Reason" for Grape-Nuts**

—sold by Grocers everywhere.
