

What everyone should know

ABOUT COMMUNISM

A SCRIPTOGRAPHIC PRESENTATION

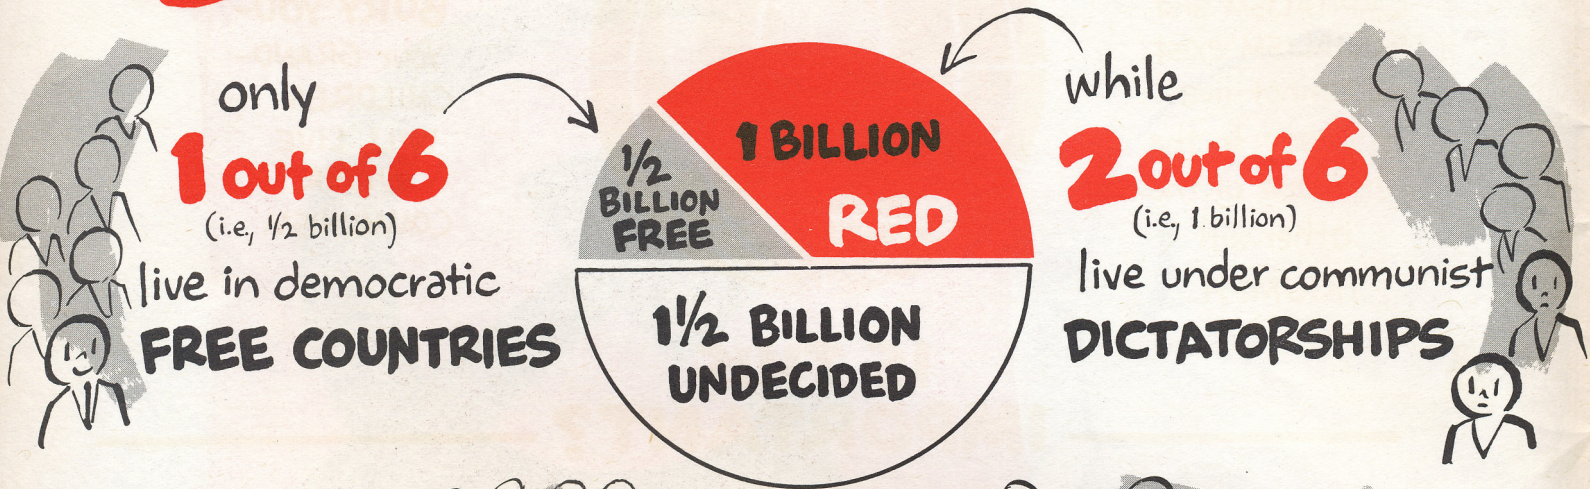

WHY

is it important
to know about
COMMUNISM?

BECAUSE--
of the

3 BILLION PEOPLE ON EARTH

--AND

the OTHER 1/2 BILLION
(1/2 of ALL the people)
are UNDECIDED
(neutral, uncommitted, many in underdeveloped
nations in Asia, Africa, and Latin America)

**SO
WHAT?**

SO-

we need to remember that
the Communist dictatorships have
as **THEIR** goal to--

CONQUER THE REST OF THE WORLD

Since 1920--

AND Today--

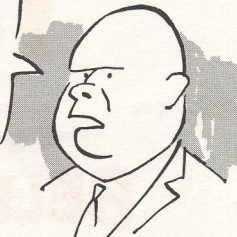

As long as
CAPITALISM and
SOCIALISM exist,
we cannot live
in peace. In the
end, one or the
other will
TRIUMPH

**WE WILL
BURY YOU-
Your GRAND-
CHILDREN
WILL LIVE
UNDER
COMMUNISM**

LENIN

KHRUSHCHEV

**IS THIS
IMPORTANT?**

On Jan. 30, 1961 - PRESIDENT JOHN F. KENNEDY said:

"We must never be lulled into believing
that either power (RUSSIA or RED CHINA)
has yielded its ambitions for world domination

**--EACH DAY WE DRAW NEARER
THE HOUR OF MAXIMUM DANGER,**
as weapons spread and hostile forces
grow stronger."

**BUT JUST
WHAT IS
COMMUNISM?**

ACCORDING TO THE **DICTIONARY**

**COMMUNISM
IS**

...a social system where goods are held in common."

i.e., no one has any thing for himself

**ITS
BELIEFS**

"history is a class war between proletariat and capitalists."

i.e., anyone who owns anything

i.e., those who just work

"...from each according to his ability, to each according to his needs."

i.e., your "ability" and your "needs" as decided by the Communist Party Dictatorship

**ITS
GOALS**

"a dictatorship of the proletariat with regulation of all social, economic, cultural activity via a single, authoritarian party as leader to achieve a classless society and world union of socialist soviet republics."

i.e., party leaders such as Khrushchev, Mao, Castro

i.e., all opposition brain-washed or liquidated

TOMORROW

Many European countries have large Communist Party minorities. Nearly every country has active Communist agents at work directed from Moscow. And nations with nearly half the people of the world are now uncommitted, including those in South America and Africa.

How to identify a **COMMUNIST NATION**

It is one that--

(1.) **POLITICALLY**

--has a **ONE-PARTY
TOTALITARIAN
DICTATORSHIP**

-- its **GOAL** is to
**DOMINATE
THE WORLD**

i.e., **POWER** in the
hands of a **FEW**
(not many) **PEOPLE**

-- by destroying the
free nations through
conquest or revolution

(2.) **SOCIALLY**

- **STATE OWNS
EVERYTHING**

- **OPERATES
EVERYTHING**

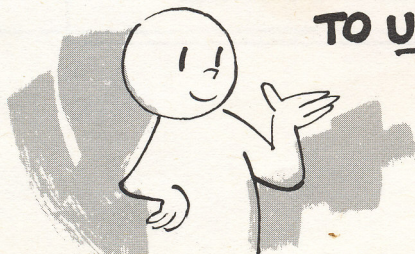

- **PLANS
EVERYTHING**

- no private ownership
- no private enterprise
- no labor unions
- no strike privileges
- state fixes wages
- state fixes prices
- individual a cog

(3.) **MORALLY**

- **BELIEVES IN
THE USE OF
FORCE
TO ACHIEVE
ENDS**

- i.e. - **FORCED LABOR**
- "LIQUIDATION"
 - VIOLENCE
 - TORTURE
 - WAR

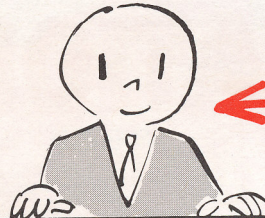

TO UNDERSTAND COMMUNISM

let's see how it works...

In PRACTICE-- all important decisions made in Moscow by PARTY LEADERS

Soviet members are elected by the PEOPLE -- but -- the people have only ONE candidate to vote for -- CHOSEN BY THE PARTY

it is a **DICTATORSHIP**

HOW THE COMMUNIST **PARTY** WORKS IN SOVIET RUSSIA

A GOVERNMENT OF MEN - NOT LAWS

These PARTY LEADERS dictate all policy -- pick all officers -- run Soviet Russia based on their "SUPERIOR" understanding of the "SCIENCE" of Communism.

COMPARED WITH U. S. A., they have

- NO "CHECKS and BALANCES"
- NO "SEPARATION OF POWERS"
- NO "OPPOSITION PARTY"

PARTY MEMBERS

-- the FAVORED "ELITE" consists of only about 8% of the adults -- about 10 out of 210 million people in Russia.

U.S.S.R. LABOR UNIONS

owned and operated by Communist Party

COMPULSORY MEMBERSHIP

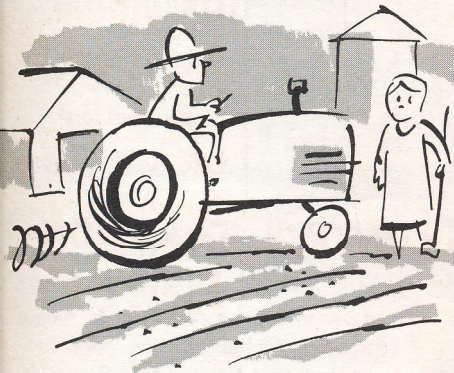

only Party Members can hold Union Office

GOALS

1. WATCH WORKERS
2. ENFORCE RULES
3. SPEED UP PRODUCTION

NOTE: Compare with U.S. Union Goals of (1) More Pay, (2) Shorter Hours, (3) Better Working Conditions

ON THE FARMS

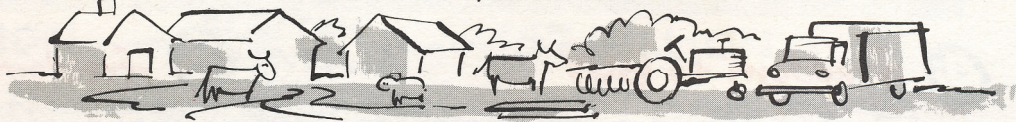

ABOUT 20% OF FARM PRODUCTION comes from large **STATE FARMS** (SOVKHOZES)

ABOUT 80% OF FARM PRODUCTION comes from *** COLLECTIVE FARMS** (KOLKHOZES) --each about 25 to 30 square miles

* OVER 25 MILLION COLLECTIVE FARMS

17,300,000 HOUSEHOLDS -- 36,200,000 CATTLE (12,800,000 COWS)
 27,300,000 HOGS -- 71,200,000 SHEEP -- 611,000 TRACTORS
 272,000 COMBINES -- 408,000 TRUCKS

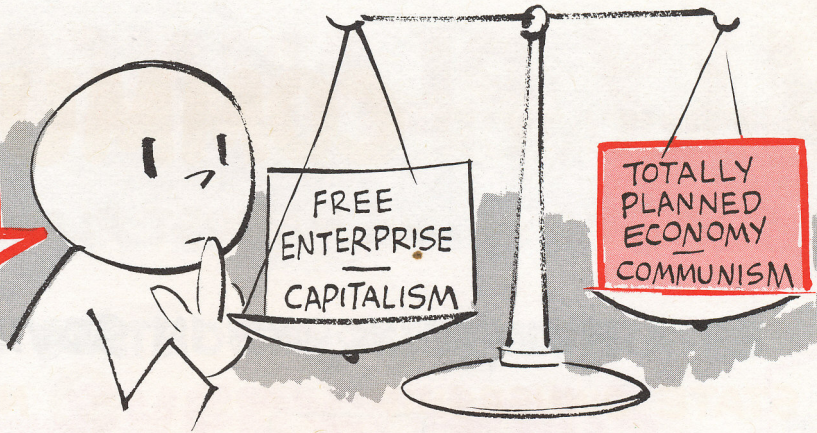

EACH "PLANNED VILLAGE"

has up to 3,000 families, with state shops, schools, library, bathhouse, hospital, theatre

PAY: \$1 to \$1.50 per DAY (part in produce)
PRODUCTION: Less per man than U. S. A.
EQUIPMENT: Inferior to U. S. A.
NON-WORKERS: Are "expelled" from village.

WHICH SYSTEM is **BETTER** to produce a **HIGHER STANDARD OF LIVING**?

THE DEMOCRATIC **CAPITALIST** SYSTEM

BASED ON THESE 8 FREEDOMS

1 freedom to **CHOOSE JOBS**

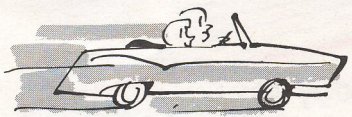

A better system because the individual has more enthusiasm for work and produces more

5 freedom to **MAKE PROFITS**

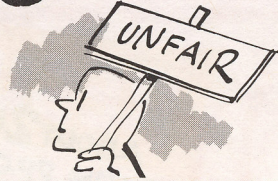

provides management incentives and attracts capital for expansion

2 freedom to **OWN THINGS**

means an incentive to produce more and earn more

6 freedom to **BARGAIN** and **STRIKE**

helps labor insure fair wages that help build mass purchasing power and greater production

3 freedom to **COMPETE**

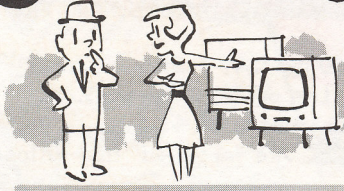

means more research, better products at lower prices

7 freedom to **OWN BUSINESS**

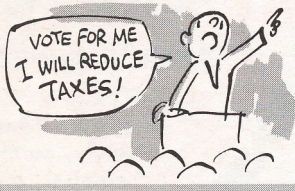

because it gives everyone a chance to become an owner via common stock of large corporations - and to share in profits (in U.S. there are over 15 million such stockholders)

4 freedom to **BUY**

helps eliminate inferior products, creates more products at lower prices

8 freedom to **CONTROL TAXATION**

because free elections of representatives responsible to voters are a check on the amount and type of taxation

(or)
THE DICTATOR COMMUNIST SYSTEM
 BASED ON THIS MARXIST PLANNED ECONOMY

1 STATE OWNERSHIP

of all farms and factories. State decision as to what is made, how much is made, and who gets it. Because Communist Party emphasizes heavy goods (machines) instead of consumer goods, this has meant a low standard of living for the workers.

3 NO STRIKES ALLOWED

Anyone who won't work is punished for "sabotage" or for "counter-revolutionary" activities. Idlers are jailed and sent to labor camps. Explains low rate of "unemployment" in Russia.

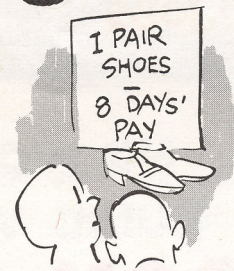

2 WHO GETS WHAT?

Actually, there is a wider range of pay rates in Russia than in U.S.A. Party members get extra benefits.

The Marx theory is that each person works according to his ability and is rewarded according to his need. The catch is that both ability and need are decided by the Party, and need can, if they wish, be sheer survival rations.

4 LOW INCOME TAXES-BUT

Income taxes are low in U. S. S. R. because SALES TAXES are so HIGH -- 50-100% of prices. Prices are high, set by Government (a form of taxation in itself). All "profits" go to government of course.

RESULTS?

NOTE:
 CONCENTRATION ON TOP HEAVY (WAR) INDUSTRY RATHER THAN CONSUMER GOODS

AND (3) COMMUNISM MORALLY STANDS FOR **FORCE and VIOLENCE** to achieve its goal

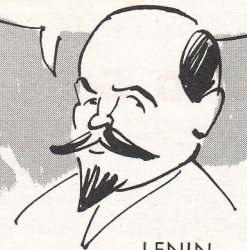

We believe the **ENDS** of Communism justify **ANY MEANS** - including **WAR, VIOLENCE, SLAVERY, CRUELTY, LIES, DECEIT**

PARTY COMMISSARS

Communists say Christianity and Judaism are obsolete, that religion is an opiate -- BUT -- they try to substitute Communism for religion, with Party Leaders as the "priest-hood," with the "FALL" of Capitalism to be followed by the "REDEMPTION" by Communist doctrine.

Promises are like pie crusts— **MADE TO BE BROKEN.** It is necessary to use any ruse, cunning, unlawful method, evasion of truth

THEY DO!

So we can usually identify a "COMMUNIST" as one who BELIEVES THAT-

1 THERE IS NO GOD

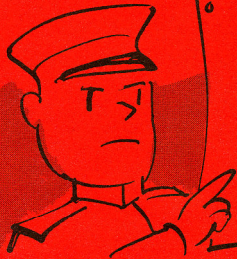

Religion is dope.
Life ends at grave.
Church oppresses people.

2 The PARTY is always RIGHT

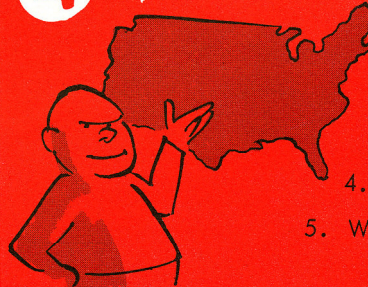

-- the COMMUNIST Party, that is.
The STATE is more important than the INDIVIDUAL.

3 WHAT'S "BAD" IS ?

1. PRIVATE PROPERTY
2. CAPITALISM (free enterprise)
3. WESTERN COLONIALISM
4. CAPITALISTIC IMPERIALISM

4 The UNITED STATES is

1. IMPERIALISTIC
2. AGGRESSIVE
3. AGAINST PEACE
4. OPPRESSIVE TO WORKERS
5. WITHOUT "REAL" FREEDOM

5 TOTAL PLANNING is BEST

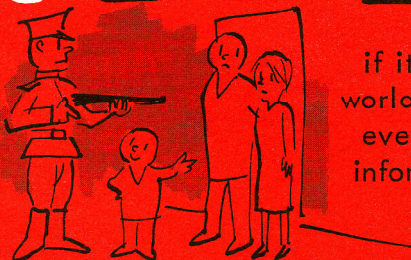

A totally planned economy is better than a competitive free enterprise system.

6 COMMUNISM comes FIRST

Loyalty to the PARTY (Moscow or Peking, that is) is more important than loyalty to one's own country.

7 ANY ACT is JUSTIFIED

if it serves world Communism -- even murder or informing on parents.

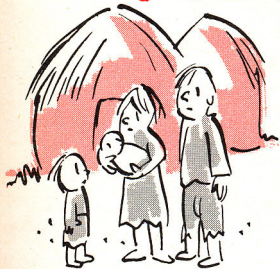

8 COMMUNISM is INEVITABLE

It will "bury" the capitalist nations in time.

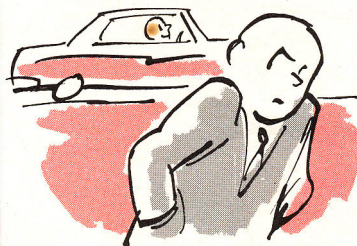

-and it's not hard to tell WHO IN THE WORLD WOULD BELIEVE IN COMMUNISM--

POOR PEOPLE

Masses in Africa, Asia, Latin America with annual income of \$50 to \$500 who want to improve their standard of living.

DISSATISFIED PEOPLE

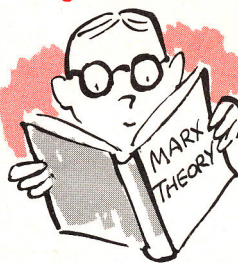

Underdogs in life who want a change and think this might be it.

FRUSTRATED PEOPLE

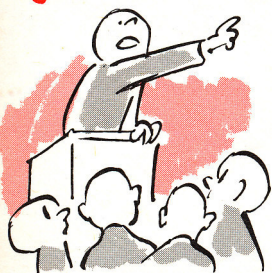

Think the grass is greener somewhere else. Feel bitter towards something and want to get back at somebody.

NAIVE PEOPLE

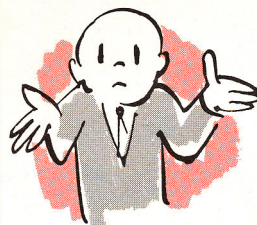

Misled by "peace and prosperity" propaganda and believe theories of Marx. Sincerely believe Communism is the answer.

IGNORANT PEOPLE

Confused by double talk. Misinformed. Taken in by lies. Misled into believing in Communism.

LAZY PEOPLE

Don't want to think, to vote, to stand up for ideals. Easier to follow some strong leader with a positive plan.

FANATICAL PEOPLE

Mentally unbalanced. Delusions of grandeur. One-track minds on wrong track. Use Communism as their chance to express strong convictions.

OPPORTUNISTIC PEOPLE

who want to hop on any band wagon where they can become a "big shot" and have power over other people.

FROM SUCH GROUPS ARE COMMUNIST FOLLOWERS RECRUITED!

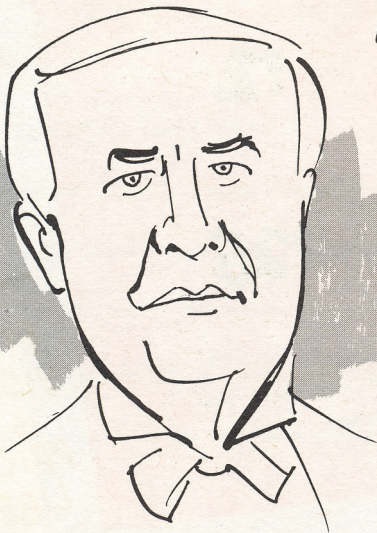

SO WHAT?

SOOOO
HISTORY
has already
proved
the basic idea of
COMMUNISM
IS **FALSE!**

Because--

- ① **UNDER CAPITALISM** - the rich did not get richer and the poor get poorer
(on the contrary, capitalism has resulted in more economic equality)
- ② **NOT A SINGLE** capitalist country has turned Communist to date!
(Communist success has been entirely with UNDERDEVELOPED, NON-INDUSTRIAL countries)
- ③ **THE WORST "EXPLOITATION"** of man has been by Communist dictatorships themselves
(they have had to put down revolt after revolt with force and violence)

**MANY YEARS AGO, THOMAS A. EDISON,
A GREAT INVENTOR and AMERICAN, SAID--**

"I can see no earthly reason why the sensible and constructive elements in American life should not publish the sensible and constructive facts of American life -- as the Reds publish and hand out their arguments now... These men lie, lie daily, lie continually -- and lie well. But it is never a difficult thing to nail a lie if you know it is a lie, are informed about the truth and are willing to take the trouble to tell your truth ably."

Soooo—

① WE MUST BELIEVE

-- THAT GOVERNMENT SHOULD BE MAN'S SERVANT AND NOT HIS MASTER

-- each person has a moral sense and dignity, AND SHOULD BE FREE TO SEEK HIS OWN TRUTH

② WE MUST KNOW

-- NOT ONLY WHAT'S **WRONG** ABOUT COMMUNISM, BUT WHAT'S **RIGHT** ABOUT CAPITALISM

-- we must study and understand the principles of democracy and the freedoms which must be protected -- at home and abroad.

③ WE MUST ACT

-- we must accent the **POSITIVE**. It's not enough to be against Communism -- (both Hitler and Mussolini were against Communism) -- we must be **FOR** capitalism, freedom, democracy.

-- we must build a **STRONGER** and **BETTER U.S.** to survive and to **PREVENT** the folly of atomic war, to be free from economic and social inequity, free from racial or other discrimination.

-- we must try to **RAISE THE STANDARD OF LIVING** of underdeveloped nations as fast as possible to prevent their falling under the YOKE OF COMMUNISM.
