

Applications For CCC Camp Work Will Be Accepted

Applications for the new CCC camp work will be accepted, Miss Guggenheim, of the Champaign county emergency relief office, announced today. Col. James Underwood will again be the recruiting officer.

The 50 applications, which was the allotment given this county, are to be filled out within the next two weeks. The requirements for this work will remain the same as for former camps. All young men in good physical condition between the ages of 18 and 25, who are on relief now or are in need of relief, are eligible.

Although quite a number of young men from this county have been selected for former camps, no trouble in filling this quota is anticipated.
