

# Make Second Cut in IERC Relief Funds

---

## Announce Further Reduction in Funds Available for Champaign County in November.

Champaign county's relief allocation for the second half of November was set at \$21,581, according to a notice received by Miss Francis Gugenheim, county relief administrator, Thursday.

This, Miss Gugenheim said, is a six per cent reduction in funds and is four per cent less than the reduction previously scheduled.

The county allocation for the first half of the month was \$19,089, a reduction of \$3,289 under the same period during October.

"It will be necessary to cut relief expenses to an absolute minimum in order to stay within our budget," Miss Gugenheim indicated Thursday.

"Relief clients will have to understand that there will be pe-
