The country is in a deep depression. What specific problems are there to address? What do you have to do right now to RELIEVE the suffering public, to help the economy RECOVER and to make REFORMS to prevent this economic crisis from happening again?

**Immediate Economic Problems**

**RELIEF Programs**

**Intermediate Economic Weaknesses**

**RECOVERY Programs**

**Long Term Economic Concerns**

**REFORM Programs**

- How do you propose to pay for all of your ideas? Is there a problem if you can't?
- Tonight, read about FDR's New Deal. How do the two plans compare? Complete the diagram on the back of the worksheet.

**Let's Make a Deal, Part II**

Compare our ideas with those of FDR....How do we match up?

Directions: In the two outer areas list the characteristics of each plan. In the middle area, list their shared characteristics.
