

## **Conservation Poster Directions:**

- ✓ You will from the perspective of the imaginary female character you registered as for the war efforts.
- ✓ Look through the Conservation Booklet and choose one way you will encourage people to conserve for the war efforts. This can be directly from the booklet or you can create your own way to conserve that is related to the categories at the top of page 2 of the booklet.
- ✓ Create a poster to encourage people to conserve. Include:
  - A phrase so that people know what you want them to do.
  - A picture representing what people should conserve.
  - A phrase or picture that will appeal to people's emotions.
- ✓ Everything on the poster must be visible from at least 6 feet away
- ✓ Use color and creativity
