

Thomas Paine Continuous School Improvement 2015 - 2016

Student Focused Goal 1 - Students will read and comprehend complex informational text independently and proficiently.

Outcomes:

Understand complex texts across disciplines.

Students to recognize and understand their own academic progress

Families to understand their child's data and be able to support their child.

Student Focused Goal 2 -- Students will develop their writing for multiple purposes using correct mechanics."

Outcomes:

Student will demonstrate the use of proper mechanics for their instructional level across multiple writing types.

Teachers will use Writer's workshop lessons to explicitly teach and support mechanics across multiple writing types.

Families will know and understand what their student is learning around writing mechanics and be able to support those strategies at home.

Student Focused Goal 3 -- To encourage academic growth and social emotional learning, students will develop self control skills to ensure they keep their hands, feet and other objects to themselves. "

Outcomes:

Students will refrain from physical aggression.

Families will understand the rationale for district and school behavior policies and will be able to support and encourage students at home with social-emotional learning.

Student Focused Goal 4 --Students will conference with their teacher weekly on writing skills and strategies.

Outcomes

Students will learn to analyze and develop their writing through conferencing with their teachers.

Teachers will develop mini lessons based on conferencing data.

Families will increase their knowledge of different writing types and how to support their student's writing at home.

he process....

...is good!

have a larger team with representation from PBIS team, Professional Development cadre, faculty, and our Instructional coaches and Central Office. We have a specific and detailed plan on what we are going to do to meet the goals.

looked at it through the various lens: academic, behavioral, family and community engagement.

s connected to Danielson and teacher evaluation.

omas Paine is recognized as the balanced literacy school so we are working very hard to be a model school.

ank you for all you do for Urbana teachers and students!
