Urbana School District #116

UHS Summer School 2019

Session 1: June 5 – June 25

Session 2: June 26 - July 16

Urbana High School

1002 South Race Street, Urbana, Illinois 61801

School: (217) 384-3505 Fax: (217) 384-3532

www.usd116.org/uhs

Urbana School District 116 will conduct a summer school program for high school students – incoming (2019-2020) 9th through 12th grade – beginning June 5 and ending July 16. There are two three-week sessions. Students can take ONE class each session. Programs will be offered 4 days each week, generally **Monday through Thursday**. Due to the July 4 holiday, classes will not meet that Thurs, July 4 but WILL meet on that Fri, July 5. **Free daily breakfast is in the UHS Commons at 7:45 AM. Free lunch is also provided.** Classes will be held from 8:00AM to 1:00PM at Urbana High School located at 1002 S. Race St., Urbana, IL 61801. Apex online learning classes are available, with priority for enrollment given to UHS students. See your counselor if interested.

Fees

- **Urbana HS students on a waiver of school fees** pay **\$20 per credit/semester**. If the student attends every day, that \$20 will be refunded after the close of summer school.
- **UHS students not on a waiver** pay **\$100.00 per credit/semester**.
- **Out of district student** tuition is **\$120.00 per credit/semester**.
- Full payment must accompany the registration form or enrollment will not be accepted. Refunds will be made only for **cancelled classes**.

Method of Payment

FEES MUST BE PAID FOR WITH CREDIT CARD, CASH, OR MONEY ORDER. **No personal checks will be accepted.** If paying by money order, please make it payable to *Urbana School District #116*. See the UHS bookkeeper to pay by credit.

Insurance

Student accident insurance paid during the 2018-2019 school year will cover the student during summer school hours (while in class or on school district property before and after school). Insurance coverage may be purchased for the summer school sessions. The link to sign up is <http://markel.sevencorners.com> (Urbana School Dist #116, Urbana HS).

How to Enroll

Enrollment forms along with information on program offerings will be available in the Urbana High School Main Office and Counseling Office and online from the UHS website. **All completed registration forms (with payment) should be turned into the Main Office (room 2128) from 8:00AM to 4:00PM.** Registration will begin on Thursday, April 25 and will end on Tuesday, June 4 at 9AM . **Please remember that all registration for Summer School must be completed by 9:00am on Tues, June 4. There must be a minimum of 15 students registered for each class in order for it to be offered this summer. REFUNDS WILL BE MADE ON CANCELLED CLASSES ONLY.**

All students must have the application signed by their school counselor before submitting request for summer school enrollment.

No registration forms will be taken on the first day of any classes.

Cancelling Classes

Classes typically need an enrollment of at least 15 students in order to run. Classes that do not meet the minimum enrollment requirement of 15 students will be cancelled. In cases of low enrollments, some courses may be shortened from two sessions to one or the format may be altered in order to allow them to run with at least 15 students. When it is necessary to cancel a class there may be a possibility that the course can still be offered through Apex. Apex is an online, high school credit program that offers a wide range of courses. If the class is canceled and it cannot be offered through Apex, then the full payment of the fees will be refunded. **There will be no refunds after the first day of classes for those that run.**

Student Attendance

Students attend summer school voluntarily, and it is assumed they are sincerely interested in additional learning opportunities. **Daily attendance and punctuality are important. Summer school is NOT advised for those who for any reason cannot maintain regular attendance.**

Since summer school is too short for repeated absences, a student will be dropped (with no refund) from enrollment if he/she misses, **for any reason**, more than one (1) day per 3 week period. This means that if a student has been tardy, that student cannot miss a whole day (1 day + 1 tardy = possible dismissal). ***The principal of summer school will make the determination about dismissal.***

Tardies: Each tardy (less than one hour) is equivalent to 1 hour of absence. (Tardies greater than or equal to one hour is equivalent to $\frac{1}{2}$ day absence.)

1 tardy (< 1hr): 1 hour of absence

2 tardies (< 1 hr): $\frac{1}{2}$ day absence

4 tardies (< 1hr): 1 day of absence

1 tardy (\geq 1hr): $\frac{1}{2}$ day absence

2 tardies (\geq 1hr): 1 day of absence

Students can lose credit for the course on the 3rd or 5th tardy, depending on the category above.

Remember: A student can lose credit for just being tardy to class (student may opt to stay in a course for no credit if they follow all classroom rules and get approval from the summer school principal).

Credit

Credit is granted as indicated under the course offerings: 60 hours = 1 credit. One UHS credit is awarded for each semester a student passes.

Supervision

The school can assume no responsibility for the supervision of pupils except during the actual time they are assigned to be in class and are in attendance.

Allergies/Health Concerns

Please indicate any allergies or health concerns that could be important for the school to know while a student is enrolled in summer school. Food allergies are of particular concern.

Further Information

Course Descriptions

English

English (9, 10, 11) (Session 1)

English Credit Recovery, One Credit.

This course is designed as a combination course for 9th, 10th, and 11th graders in need of making up English credit. It will meet the requirements for Composition 9 (Freshman), World Studies English (Sophomore), or American Studies English (Junior). The course will be differentiated to meet the needs of each grade level. This is a writing intensive course that provides specific instruction in a variety of persuasive and expository modes while giving the students a foundation in conventions and research skills. Specific attention will be given to reading strategies and paragraph and essay structure. Specific text and resources will be used for each grade level.

Speech (Session 2)

One semester, One credit. This course can be used to meet one semester of the Senior English requirement. In this course, students develop appreciation for and practice in speech concepts, including self-communication, one-to-one communication, small group communication, and public speaking. Good listening skills, essential to communication, are emphasized throughout the course. Students who enroll in this course should have solid writing and research skills as they are necessary for effective completion of informative and persuasive speeches. Some speech assignments include but are not limited to personal experience, brown bag, impromptu, radio, informative, demonstration and persuasive.

Family & Consumer Science

+Independent Living (Session 2)

One semester, One credit. Open to all grade levels.

This course covers the skills needed for living independently such as; cooking, lifestyle, values, decision making, career choices, economics, banking, budgeting, credit, insurance, federal taxes, electronic banking, and current issues in the economy. This course focuses on the identification and management of personal and family resources to meet the needs, values, and wants of individuals and families throughout the life cycle. The course utilizes a variety of project-based experiences to gain knowledge of the topics listed above. This course satisfies the state graduation requirement for Consumer Education.

Mathematics

Algebra I (Session 1)

One or two semesters, one math credit each semester

The summer session of Algebra I is targeted to students who have received a grade of "CO" (Conditional) for first semester and/or failed the class for second semester. UHS students who received a "CO" for first semester and failed the second semester will, upon successful completion, earn credit for the whole year of Algebra I. --> (Algebra I continued...)

In this course the content includes: Real world application of all material, pattern recognition, linear relationships, multiple representations of data, slope, slope intercept form, solving equations of one variable, lines of best fit, solving systems of equations, point slope form, solving equations for a specific variable, using x and y intercepts, inequalities of one variable, inequalities of two variables, systems of inequalities, exponential growth and decay, systems of equations with linear and exponential equations, laws of exponents with positive exponents, rational exponents, functions, transformations (reflections, stretching and shrinking), absolute value problems, multiplying and working with binomials, going from standard form to factored form of a polynomial, graphing parabolas, solving quadratic equations. Out of class homework assignments are a part of the course requirements.

Physical Education

Physical Education (Session 1)

One semester, one PE credit

UHS students may take this course to make up a PE credit or as an elective credit (May not be "banked" as a PE credit).

This course will provide students with a variety of activities that will help them develop their own personal fitness programs. The program consists of team sports, running, walking, weight training, and other physical and leisure activities

Health

Health (Session 1)

One semester, one credit

This course fulfills the health requirement for graduation and *is typically* taken freshman year, but some students may take the course their sophomore year. Using the health triangle as a framework, students gain an understanding of many health concepts that will allow them to identify their behaviors, create goals, and make decisions that promote a healthy lifestyle now and in the future.

Social Studies

Civics (Session 1)

One semester, one credit, For rising Jr/Sr students only.

This course meets the Civics (Am Govt) requirement for graduation.

This course will explore the function and operations of the U.S. Federal system, State of Illinois and local governments. Other topics will be law and justice, civil liberties, elections and voting, public opinion and propaganda, and contemporary issues in American politics. Examinations will be given on U.S. and Illinois Constitutions. This course has a weighted option that must be declared within the first three days.

Apex Learning

(Credit Recovery for Various Courses)

Minimum Enrollment: 15

Maximum Enrollment: 50

One or two semesters, one credit each semester

Priority is given to UHS students.

A number of courses are available through Apex learning. Apex courses are computer based and require dedication and self-motivation on the part of the student. Apex class will meet in a computer lab as a regular summer class. Priority

will be given to students who have failed courses and/or are behind in total credits needed. Older students will be given preference. Students interested in an Apex course should meet with their counselor to determine which course is most appropriate.

Registration Form: Urbana High School Summer School 2019

Session 1: June 5 – June 25 Session 2: June 26 - July 16

Session 1: June 5 - June 25 (Mon - Thurs) . 8:00 a.m. to 1:00 p.m.

Session 2: June 26 -July 16 (M-Th, but class on Fri, July 5 instead of Thurs, July 4),
8:00 a.m. to 1:00 p.m.

Each three-week session = 1 semester of credit.

To register, please select course(s). Students may take ONE course each session. Students should bring their registration form to their UHS counselor to have them sign off on the course. Urbana HS students on a waiver of school fees pay \$20 per credit/semester. If the student attends every day, that \$20 will be refunded after the close of summer school. UHS students not on a waiver pay \$100.00 per credit/semester. Out of district student tuition is \$120.00 per credit/semester. Full payment must accompany the registration form or enrollment will not be accepted. Please note: A class will not run unless at least 15 students register. Refunds will be made only for cancelled classes. Registration deadline is 9:00am on Tuesday, June 4. Registration should be turned into the UHS main office.

Cash/Credit Card/Money Order payable to: *Urbana School District #116* **Sorry, NO CHECKS.**
