

Make a Difference!
Join the Urbana Alumni Association

The **Urbana Alumni Association** was established in 1995 to enhance the quality and scope of the educational experiences of students in the Urbana school district. We provide financial support to enhance school facilities and programs and to facilitate participation in activities that enrich the school experience, with an emphasis on the secondary level where all our students come together. Our support comes from annual membership dues, from fund-raising events such as the Cash Bash, Golf Outing, as well as from special fund-drives. The more help we get in fundraising, the more we can distribute to support the schools! Spreading the word about the Association and maintaining membership levels is crucial to our continued ability to support projects benefiting our students and schools.

Since 1995, the Alumni Association has donated more than **\$570,000** to support and improve Urbana's schools.

Alumni-supported projects include:

- computers at UMS and UHS • support for secondary libraries
- all-weather track • UHS weight room
- Carnegie Math program • football field improvements
- music program • aquatic center
- and much more.
