FOR IMMEDIATE RELEASE

### **Urbana School District #116 Opens Kindergarten Registration *Parents Must Register Children This Month***

The Urbana School District reminds parents to register your children for kindergarten this month. District 116 will hold kindergarten registration April 24 and 25 at all elementary schools. The registration is for children entering kindergarten this August. Parents need to complete the necessary paperwork to enter their child into the Urbana School District's kindergarten program at their neighborhood school.

"This early registration is important in order for schools to plan for the number of kindergarten teachers and classrooms needed in the fall. It is also the time for families to schedule their child's required kindergarten screening appointment. At registration families will receive information about events that will be held in May. These events offer families an opportunity to visit their new school and to meet the teachers and other children that will attend kindergarten in the fall," says Kindergarten Transition Coordinator Dottie Davito.

Leal Elementary School will conduct its kindergarten registration April 24. All other elementary schools will conduct kindergarten registration April 25. For more information about your neighborhood school or to view the elementary school boundary map visit the Urbana School District website at [www.usd116.org](http://www.usd116.org) or call the District 116 central office at 384-3600.

Parents will need to bring their child's birth certificate, proof of residence, and your child's social security card to the kindergarten registration.

For more information about kindergarten registration, please contact Dottie Davito, Darcy Silver, or Connie Levitt at 384-3616, or call your neighborhood school.
