

The Pajama Program!

Who: Leal Students and Community

What: Collecting **BRAND NEW** warm pajamas for children in need during the winter months. Boys, girls, sizes: newborn to xxxl. We're trying to provide PJ's for kids of all ages and sizes.

Where: Leal School – Boxes in the hallway

When: NOW through **DECEMBER 12th**

Why: This is an awesome program! We will be taking these donated pajamas to Salt and Light to surprise families that come in there with new pajamas! Scholastic will be donating a book for every pair of PJs collected. There is also a bit of a competition with Robeson Elementary in Champaign, we are going to see which school can bring in the most pajamas!! Of course, the real winners will be the children who receive a new, warm pair of pajamas this winter.

*Thank you for considering making a donation
to our Pajama Drive!*
